Robert,

As to 596 East 170th Street, Bronx NY, we filed for a preliminary certificate of eligibility for 421A benefits. The preliminary certificate expires two years after issuance of the new building permit. You decided not to go forward with filing the application for a final certificate of eligibility for this property. As a result you are not obligated to file any DHCRs for this building as it's only required if you had filed the final 421A application. The 421A law creates the obligation to file DHCRs on an annual basis and under the old 421A law it's only required for as long as you have the tax abatement.

At the end of the abatement period the annual rent registrations with DHCR are no longer required. The apartments are all free market.

The same is true for 1232 Fulton Avenue, Bronx NY.

Dear Requester,

In response to your recent inquiry,

- There are no cases on file with DHCR's Office of Rent Administration for the subject building/apartment.
- There are no registration statements on file with DHCR's Office of Rent Administration for the subject building/apartment.

Our response is based on a review of our records. It is not an Order and Determination indicating that a Registration has or has not been filed under the Omnibus Housing Act of 1983. An Order and Determination is issued only after a proceeding affording the affected parties an opportunity to respond has been initiated.

BRONX, NEW YORK 10456

Information on this report is as of September 29, 2017

The attached Registration Rent Roll report shows information on file with the NYS Division of Housing and Community Renewal (DHCR) for the above referenced building and has had its Certification of Copy of Record signed by a certifying officer on the first and last pages of this report. The DHCR considers the entire report as having certified status.

This report was printed at the Bronx BRO of DHCR.

The apartment status section of the report indicates the reported nature of the occupancy of the apartment. The following designations are used:

RS = Rent Stabilized	RC = Rent Controlled	V = Vacant
TE = Temporarily Exempt	PE = Permanently Exempt	VD = Vacancy Decontrolled

The effective date is the date that the apartment became subject to rent regulation as required by the Omnibus Housing Act of 1983 and is only visible on the Initial Registration Rent Roll Report.

A "W" appended to the end of the rent amount indicates that the rent amount is paid weekly instead of monthly. An "*" prefixing the apartment number indicates that an amendment to the annual apartment registration filed by the owner has been recorded.

The filing date is the date when the registration for the apartment was received by DHCR. A "NC" in this column indicates that the filing date was not recorded on the computer file.

ADVISORY NOTE: This document merely reports the statements made by the owner in the registration(s) filed by such owner and does not reflect changes in rent occurring after April 1 of each year. DHCR does not attest to the truthfulness of the owner's statements or the legality of the rents reported in this document. Furthermore, this document does not necessarily reflect modifications to the lawful rent or other registration information as a result of orders issued by DHCR, or a finding that a registration has not been filed.

Registration Rent Roll Report for
Registration Id Number: 227492
2072 CROTONA AVE
BRONX, NEW YORK 10457

Information on this report is as of September 29, 2017

The attached Registration Rent Roll report shows information on file with the NYS Division of Housing and Community Renewal (DHCR) for the above referenced building and has had its Certification of Copy of Record signed by a certifying officer on the first and last pages of this report. The DHCR considers the entire report as having certified status.

This report was printed at the Bronx BRO of DHCR.

The apartment status section of the report indicates the reported nature of the occupancy of the apartment. The following designations are used:

RS = Rent Stabilized	RC = Rent Controlled	V = Vacant
TE = Temporarily Exempt	PE = Permanently Exempt	VD = Vacancy Decontrolled

The effective date is the date that the apartment became subject to rent regulation as required by the Omnibus Housing Act of 1983 and is only visible on the Initial Registration Rent Roll Report.

A "W" appended to the end of the rent amount indicates that the rent amount is paid weekly instead of monthly. An "*" prefixing the apartment number indicates that an amendment to the annual apartment registration filed by the owner has been recorded. The filing date is the date when the registration for the apartment was received by DHCR. A "NC" in this column indicates that the filing date was not recorded on the computer file.

ADVISORY NOTE: This document merely reports the statements made by the owner in the registration(s) filed by such owner and does not reflect changes in rent occurring after April 1 of each year. DHCR does not attest to the truthfulness of the owner's statements or the legality of the rents reported in this document. Furthermore, this document does not necessarily reflect modifications to the lawful rent or other registration information as a result of orders issued by DHCR, or a finding that a registration has not been filed.
